<Guidelines on how to verify training completion and issue a certificate of completion>

1. After completing the video learning of the lecture, check attendance status in [출결현황]
(The irregular course consists of one video and is about 1 hour and 16 minutes long.)

2. After confirming your attendance, click the Yeungnam University logo on the top left to go to the main page of the LMS.

(This image is an example of other irregular lectures, and may have different parts from the actual lecture screen.)

3. Click [Your Name] in the upper right corner of the LMS main page – Click [비정규 강좌 수강]

4. You can issue a certificate by clicking the [이수증 발급] button on the screen [진행중]

※ Reflecting the completion data takes at least 30 minutes, so please issue a completion certificate an hour after completing the lecture.
